PETITION PURSUANT TO 37 C.F.R.
SECTION 1.182 AND 1.183 TO
VACATE RESPONSE PERIOD AND
RESTART

June 6, 2007

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned attorney for applicants petitions that the Notification of Missing Requirements (copy attached) mailed to the wrong party on April 11, 2007 be vacated and the Notification be remailed to the correct party and the period for reply restarted.

This application entered the U.S. National Phase on July 14, 2006. Applicants attorney of record filed along with the application an Application Data Sheet (copy enclosed) associating this application with our firm's customer number 20350 for both the Correspondence and Representative information.

On June 6, 2007, applicants attorneys of record through their Prosecution Paralegal Department made a routine due diligence check of Private PAIR to find out the

status of this application. The undersigned discovered that, on April 11, 2007, the U.S. Patent and Trademark Office mailed a Notification of Missing Requirements to another party at another customer number. USPTO personnel apparently entered into the USPTO database the undersigned's USPTO Registration Number 24,491 instead of the Customer Number 20350 as set forth in the ADS.

The undersigned therefore respectfully requests that the outstanding Notification of Missing Requirements therefore be vacated, that a new Notification of Missing Requirements be mailed to the correct address, and that the period for response be restarted.

Since the incorrect mailing of the Notification was caused by the Patent Office, and involved no act of omission on the part of applicants, it is believed that no fee is due for filing this Petition pursuant to 37 C.F.R. Section 1.17(h) or otherwise. However, should any fee nevertheless be due, please charge it to Deposit Account No. 20-1430.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415.576.0200.

Respectfully submitted,

J. Georg Beka
